Chapter 136. Parades

[HISTORY: Adopted by the Board of Trustees of the Village of Airmont 8-21-2017 by L.L. No. 3-2017.^[1] Amendments noted where applicable.]

GENERAL REFERENCES

Noise — See Ch. 132.

Streets and sidewalks — See Ch. 177.

[1] *Editor's Note: This local law also provided for the repeal of former Ch. 136, Parades, adopted 3-29-1993 by L.L. No. 24-1993, as amended.*

§ 136-1. Title.

This chapter shall be known as "The Parade Law of the Village of Airmont."

§ 136-2. Legislative intent.

It is the intent of this chapter that, prior to any person or organization conducting a parade, assembly or demonstration, they shall register with the Village Clerk in order that the Village of Airmont may provide for proper traffic control, pedestrian safety and police protection.

§ 136-3. Definitions.

For the purposes of this chapter, the following definitions shall apply:

ASSEMBLY

A group of 20 or more persons gathering at a specific location or locations for a period in excess of 30 minutes.

CONTACT PERSON

The individual who has been authorized by the applicant and has agreed to be present at the event and to be responsible for the good order and conduct of the event.

DEMONSTRATION

A public display of a feeling (as of approval, sympathy or antagonism) by 20 or more persons.

EVENT

An assembly, demonstration, or parade.

PARADE

Any march or procession of any kind, or other similar activity consisting of 20 or more persons, five or more animals, or five or more vehicles, or any combination thereof, in or upon any public street or any other Village property. Funeral processions and wedding processions shall not be considered parades.

PERSON

Any person, firm, partnership, association, corporation or other organization of any kind.

POLICE

The Ramapo Township Police Department and/or any other police department with authority to act within the Village.

PUBLIC STREET

Any street, sidewalk, crosswalk or alley open to the public within the Village.

VILLAGE PROPERTY

Any property owned by the Village, other than a public street, that is not leased to another public entity.

§ 136-4. Prior registration required; fee.

All persons, organizations, organizers and/or sponsors who plan to conduct an event within the Village of Airmont shall register with the Village Clerk at least 15 days prior to the date of the event, unless the applicant can show good cause why the applicant could not reasonably comply with said provision. A registration fee, which shall be set from time to time by resolution of the Board of Trustees, shall be payable at time of registration.

§ 136-5. Event permit required.

It shall be unlawful for any person to take part in an event on any public street or on any Village property unless a valid permit has been issued for said event by the Village Clerk.

§ 136-6. Application for permit.

A. Application.

- (1) An application for an event permit shall be made in writing to the Village Clerk and shall include the following:
 - (a) The name, address, and telephone number of the applicant.
 - (b) To the extent that the applicant has the following, they shall also be provided: a facsimile number and an e-mail address.
 - (c) If the applicant is a person other than an individual, the name, address, and telephone number of the individual signing the application on behalf of the applicant.
 - (d) The name, address, and telephone number of a responsible individual who shall be the contact person and who shall be present at the entire event, and the cellular telephone number of the cellular telephone that that individual shall carry from one hour before until one hour following the conclusion of the event.
 - (e) The requested date and time for the event to commence and conclude.
 - (f) The requested place of the event and, if applicable, the requested starting point, route to be traveled, and the termination point of the event and, to the extent applicable, the width of the public street to be used.
 - (g) The approximate number of individuals, animals (and types thereof), and vehicles on behalf of the applicant which will constitute or otherwise be involved within the Village with the event.

- (h) Whether any amplified speech, music, or other sounds will be made during the event. All such sounds must conform to the Village's noise regulations.
 - (i) If the event is a parade, the application shall state the approximate interval of space between the units of the parade and the approximate maximum distance from the front to the back of the parade.
 - (j) The proposed location for the parking of vehicles.
 - (k) The purpose of the event and such other information of which the applicant is aware as may assist the Village in estimating the number of observers and/or counter-demonstrators that may be expected so that the Board of Trustees and the police may adequately prepare for the event in order to protect the health, welfare, and safety of the residents and others taking part in or in close proximity to the event.
 - (l) Any pertinent history of prior events by the applicant, to the extent that such history may be helpful to the Board of Trustees and the police in adequately preparing for the event in order to protect the health, welfare, and safety of the residents and others taking part in or in close proximity to the event.
 - (m) Verification that the police have been notified of the event and that the applicant for registration has complied with all the requirements of the police.
 - (n) Acknowledgment that the parade, motorcade or public assembly continues to move at a fixed rate of speed and that any willful delay or willful stopping of said parade, motorcade or public assembly, except when reasonably required for the safe and orderly conduct of the parade, motorcade or public assembly, shall constitute a violation of the permit.
 - (o) Agreement to pay the cost of mailing notices of the permit application to each property owner along the proposed parade route.
 - (p) Agreement to pay the costs actually incurred by the Village of Airmont in connection with the event.
 - (q) Agreement to make way should emergency vehicles require access to any property along the event route.
- (2) The application shall be signed by or on behalf of the applicant and by the contact person. Both of such signatures shall be acknowledged by a notary public.
- B. Each event permit shall include such conditions as to the time, place, and manner of the demonstration as the Board of Trustees and/or the police, in their respective reasonable discretion, may deem appropriate to adequately protect the health, welfare, and safety of the residents and others taking part in or in close proximity to the event. Notwithstanding anything to the contrary herein or in the event permit, the Mayor and/or the police are authorized to change the locations and/or routes if, in the interest of public safety, the Mayor and/or the police, in their respective reasonable discretion, find it appropriate to do so.
- C. Unless such application is incomplete or there is a constitutional basis for doing so, such permit shall be issued timely by the Village Clerk upon the applicant's compliance with the provisions of this chapter.
- D. Notice of the event date, time, route, and any temporary public street closures shall be provided to all property owners along the event route. Notice shall be provided in a cost-effective manner designed to reach each affected property owner.

§ 136-7. Interference with parades prohibited.

- A. No person shall unreasonably hamper, obstruct, supersede or interfere with any event or with any person, vehicle or animal participating in an event.
- B. No person shall interfere with an event by driving a motor vehicle between the vehicles or persons composing an event when such vehicles or persons are in motion and are conspicuously designated as an event, when such event is being held in conformity with an event permit issued pursuant to this chapter. The foregoing shall not apply to police, fire, ambulance, and other emergency vehicles when being operated in the course of their police or fire duties, or during emergency situations.
- C. The Mayor and the police shall have the authority to prohibit or restrict the stopping, standing, and/or parking of vehicles along a public street or part thereof constituting a part of or in close proximity to an event. The Mayor may order the posting of signs to such effect, and it shall be unlawful for any person to stop, stand, or park any vehicle in violation thereof.
- D. The Mayor and the police are hereby severally authorized to direct the towing of any vehicle parked in violation of this section and to collect any and all fees associated with the towing of the vehicle from the vehicle's registered owner.

§ 136-8. Duties of permittee.

- A. A permittee under this chapter shall strictly comply with all permit directions and conditions and with all applicable statutes, codes, ordinances and rules and regulations and lawful directions of the Mayor and the police.
- B. The contact person shall have immediate access to the cellular telephone, the telephone number of which was set forth in the application for the event permit, from one hour before until one hour following the conclusion of the event. The cellular telephone shall be turned on, in good condition, and sufficiently charged, so that the Village may have full contact with the contact person from one hour before until one hour following the conclusion of the event.

§ 136-9. Denial of permit.

Any application for a permit for an event may be summarily denied by the Village Clerk if:

- A. The event for which a permit is sought would conflict with another event for which a permit is to be or has been issued and for which application was made previous to the application to be rejected.
- B. The event would conflict with an event to which this chapter does not apply.
- C. The event is to be held for the purpose of advertising any commercial product, goods or event or is designated purely for private profit.
- D. The application does not comply with § 136-6 herein.
- E. If the Police shall deem that the event is of a size or nature that requires the diversion of so great a number of police officers to properly police the line of movement and the areas contiguous thereto that allowing the event would deny reasonable police protection to the Village.

§ 136-10. Enforcement.

The Police, and/or the Building Inspector or Code Enforcement Officer for the Village of Airmont, shall have the power, right and authority to issue an appearance ticket, as the same is defined in Article 150 of the Criminal Procedure Law of the State of New York, for the violation of any section of this chapter.

§ 136-11. Penalties for offenses.

- A. Any person violating any section or provision of this chapter shall be liable to a fine a not more than \$250 for each day or part thereof during which such violation occurs.
- B. In addition to the above provided penalties and punishment, the Village Board may also maintain an action in the name of the Village of Airmont in any court of competent jurisdiction to compel compliance with or to restrain by injunction the violation of this chapter.
- C. The remedies contained within this chapter shall not be exclusive but shall be in addition to any other remedy provided by law, so long as not inconsistent herewith, nor shall the invoking of any remedy or procedure contained within this chapter preclude the pursuit of any and all other remedies, and the same are intended to be cumulative.

RESOLUTION NO: 18-4134

VILLAGE OF AIRMONT

TITLE: AUTHORIZING THE VILLAGE TO HIRE FRANK DEBELLIS AT A RATE OF \$15 PER HOUR TO WORK AS LITTER PATROL OFFICER FOR NO MORE THAN 17 HOURS PER WEEK

WHEREAS, the Village has accepted the resignation of Katelyn and Kelly Warbrick;

BE IT RESOLVED that the Village is authorized to hire Frank DeBellis at a rate of \$15 per hour for no more than 17 hours per week to work as Litter Patrol Officer

The motion was moved by Trustee Marchesani

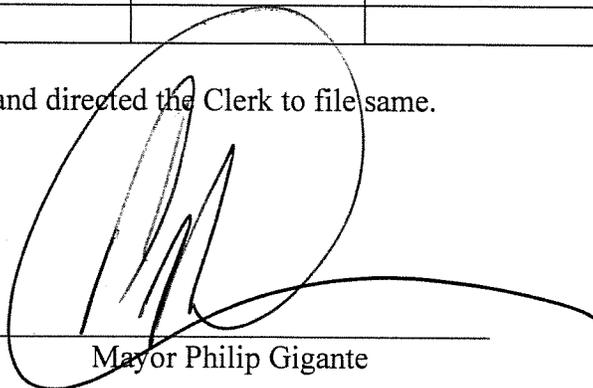

The motion was seconded by Trustee Blunnie

MOTOR EQUIPMENT OPERATOR I

DISTINGUISHING FEATURES OF THE CLASS: This is primarily skilled work in the operation of vehicles rated at 26,000 lbs. or less, GVWR (Gross Vehicle Weight Rating) as well as other motorized equipment. When such work is not available, employees in this class perform routine unskilled or semi-skilled laboring duties and may lead a small number of laborers in laboring tasks. This class position is distinguished from Motor Equipment Operator II and Motor Equipment Operator III by the size and kind of vehicles and equipment operated. Supervision is received from a higher level position. During periods of emergency work employees in this class may be required to work at other than normal working hours. Does related work as required.

TYPICAL WORK ACTIVITIES:

Operates trucks (26,000 lbs. or less, GVWR) for hauling materials, carrying men and equipment to jobs, carting debris for disposal, etc.;

Operates similar size trucks and snow plows for clearing snow and the spreading of salt and sand;

Operates mowers, compressors, rollers up to 6 tons and other equipment in the construction and maintenance of roads, sidewalks, culverts, bridges, drainage systems, park and recreation areas, etc., upon assignment;

Performs routine equipment maintenance duties and makes minor mechanical repairs;

Performs a variety of unskilled and semi-skilled laboring tasks as required;

May lead in or direct others in laboring activities;

May operate equipment classified for Motor Equipment Operator II for up to six (6) months in training for appointment to such position.

FULL PERFORMANCE KNOWLEDGE, SKILLS, ABILITIES AND PERSONAL CHARACTERISTICS:

Good knowledge of the operation and safety factors related to trucks 26,000 lbs. or less (GVWR) and other common motorized equipment; ability to operate a truck under road and field conditions; ability to use common laboring tools and common hand tools used in carpentry, masonry, painting and mechanics; ability to understand and carry out oral and written instructions; mechanical aptitude.

MINIMUM QUALIFICATIONS: None required.

SPECIAL REQUIREMENT: Possession of a valid driver license appropriate for the kind and size of vehicle to be operated.

Attention: Mr. Ralph Bracco

Re: Honeywell Service Agreement

Dear Ralph:

As the anniversary date of our maintenance and operations agreement approaches, we wish to thank you for the opportunity to be of service to you. We look forward to continuing our business relationship and trust that our service has been performed in a professional and satisfactory manner.

In an effort to maintain specific service standards, we find it necessary to raise our rates slightly to keep pace with increasing labor and material costs. The effect of this adjustment is shown below:

Contract Number:
New Annual Fee: \$953.00
Renewal Date: 12/01/2020

The invoice you receive for this time period will affect this change plus New Jersey sales tax, if applicable. In order to ensure a smooth transition to next year's contract and avoid a lapse in service, please provide the undersigned with a copy of your purchase order. I can be reached at 973-455-2641, my fax is 973-695-2472, email anthony.zitelli@honeywell.com. If you require vouchers to be signed, please send them to the attention of Anthony Zitelli, 115 Tabor Road, Morris Plains N.J. 07950.

We hope you find the terms of this renewal satisfactory. If any questions arise, or we can be of additional assistance, please feel free to contact me at 973-455-2641.

Very truly yours,

HONEYWELL INTERNATIONAL INC.

RESOLUTION NO: 20-

VILLAGE OF AIRMONT

TITLE: ADOPTION OF THE RETENTION AND DISPOSITION SCHEDULE FOR NEW YORK LOCAL GOVERNMENT RECORDS (LGS-1)

RESOLVED, By the Board of Trustees of the Village of Airmont that Retention and Disposition Schedule for New York Local Government Records (LGS-1), issued pursuant to Article 57-A of the Arts and Cultural Affairs Law, and containing legal minimum retention periods for local government records, is hereby adopted for use by all officers in legally disposing of valueless records listed therein.

FURTHER RESOLVED, that in accordance with Article 57-A:

- (a) only those records will be disposed of that are described in Retention and Disposition Schedule for New York Local Government Records (LGS-1), after they have met the minimum retention periods described therein;
- (b) only those records will be disposed of that do not have sufficient administrative, fiscal, legal, or historical value to merit retention beyond established legal minimum periods
